EXPERIENCES

PRODUCT DESIGNER | 2014-15
ABC CORPORATION

Start with your current or most recent job. Follow it with the one before it, then the one before and so on. In each entry list: your position, the name of the company, and the dates worked. Under each job, put up to 5 bullet points.Start with your current or most recent job. Follow it with the one before it, then the one before and so on.
